TERROIR & WINEMAKING

Our vineyard sits on a shared geological formation, Permian sandstone dating back to the Primary era. Two main soil types are found here: schist and sand.

TASTING NOTES

A bright wine with a straw-yellow color and green highlights. Predominantly pear with spicy notes and hints of immortelle flower. A full yet light palate with lovely depth. A rich, refreshing wine.

FOOD PAIRINGS

Perfect with exotic dishes, fish and goat cheese.
